MEDIATION FEES
CANCELLATION and RESCHEDULING POLICIES

First four (4) hours and Minimum Charge: For a two-party mediation: $700 per party. For a three-party mediation: $500 per party. For a four or more-party mediation: $1600 split equally among the parties. The minimum fee covers the first four (4) hours.

Subsequent hours: After the initial four (4) hours my hourly rate is $350 per hour for a two-party mediation and $400 per hour for three or more parties.
Travel: Travel in excess of two (2) hours roundtrip is billed at the rate of $100 per hour.
Preparation: There is no charge for ordinary preparation time (approximately an hour). Preparation time in excess of that will be billed at my hourly rate. See my Mediation Policies for suggested length of mediation statements.

Billing arrangements: I will bill each party or attorney equally unless other arrangements are made. However, all fees are the joint and several liabilities of each party and their attorneys. Late fees of 1½% per month will be charged on all unpaid balances. Deposits are required for unrepresented parties and may be required for other cases.

Alternative arrangements: Alternative fees, such as a fixed sum, discounted or waived fees for worthy cases or disputes and alternative payment arrangements will be considered. Please contact me.

Rescheduling/Cancellations: There is no charge for rescheduling or cancelling a mediation if done at least 14 days prior to a scheduled date. Otherwise, fifty per cent (50%) of the minimum charge will be assessed unless I am able to substitute another arbitration, adjudication or mediation. If the mediation is rescheduled, the cancellation charge will be credited to the final invoice.
